To: Our Shareholders

Dear Sir/Madam,

PROPOSED CAPITAL REDUCTION

1. INTRODUCTION

On 28 April 2023, CIMB had, on behalf of our Company, announced that EcoWorld International proposes to undertake the Proposed Capital Reduction.

THE PURPOSE OF THIS CIRCULAR IS TO PROVIDE YOU WITH THE RELEVANT INFORMATION ON THE PROPOSED CAPITAL REDUCTION AND TO SET OUT THE VIEWS AND RECOMMENDATION OF OUR BOARD ON THE PROPOSED CAPITAL REDUCTION AS WELL AS TO SEEK YOUR APPROVAL FOR THE SPECIAL RESOLUTION PERTAINING TO THE PROPOSED CAPITAL REDUCTION WHICH WILL BE TABLED AT OUR FORTHCOMING EGM. THE NOTICE OF EGM TOGETHER WITH THE PROXY FORM ARE ENCLOSED IN THIS CIRCULAR.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR TOGETHER WITH THE APPENDIX BEFORE VOTING ON THE SPECIAL RESOLUTION PERTAINING TO THE PROPOSED CAPITAL REDUCTION TO BE TABLED AT OUR FORTHCOMING EGM.

2. DETAILS OF THE PROPOSED CAPITAL REDUCTION

The Proposed Capital Reduction entails the reduction of RM1,500 million of the issued share capital of our Company pursuant to Section 117 of the Act. The corresponding credit arising from the Proposed Capital Reduction will be used to set-off against our accumulated losses while the remaining balance will be credited to the retained earnings of our Company, which may be utilised for dividend distributions, subject to compliance with all applicable laws and regulations at the material points in time.

As at 31 October 2022, the accumulated losses of EcoWorld International and our Group stood at about RM125.8 million and RM144.4 million, respectively. These losses were mainly due to the following:

- (i) the prolongation of construction programmes in Kew Bridge and Millbrook Park in the UK due to the Covid-19 lockdown which resulted in higher costs that adversely impacted our Group's profit margins; and
- (ii) the impairment of our investment in EcoWorld Ballymore due to an increase in discount rates applied in determining the recoverable amount of our Company's investment in EcoWorld Ballymore and the higher yield for valuation of commercial properties.

For illustrative purposes, the pro forma effects of the Proposed Capital Reduction on the accumulated losses and the retained earnings of our Company and our Group as at 31 October 2022 based on the latest audited financial statements of EcoWorld International for FYE 2022 are as follows:

	<u>As at 31 October 2022</u>	
	<u>Company</u>	<u>Group</u>
	<u>RM 000</u>	<u>RM 000</u>
(Accumulated losses)	(125,787)	(144,447)
Add: Credit arising from the Proposed Capital Reduction	1,500,000	1,500,000
Less: Estimated expenses incurred for the Proposed Capital Reduction	(600)	(600)
Resultant pro forma retained earnings after the Proposed Capital Reduction	<u>1,373,613</u>	<u>1,354,953</u>

Subject to completion of the Proposed Capital Reduction and compliance with all applicable legal and regulatory requirements at the material points in time, we intend to utilise the retained earnings of our Company pursuant to the Proposed Capital Reduction to return excess cash of our Group to shareholders of our Company via dividend distributions.

To that effect, we intend to declare a First Tranche Dividend following the completion of the Proposed Capital Reduction. The date for the declaration of the First Tranche Dividend will be determined and announced at a later date subject to completion of the Proposed Capital Reduction and our Company's compliance with all applicable laws and regulations relating to dividend distribution at such point in time.

Shareholders should take note that any subsequent declarations and payments of dividends after the First Tranche Dividend will be subject to and are intended to be timed to coincide with the accumulation of sizeable cash reserves arising from sales of our completed property units over the course of FYE 2023 and FYE 2024, and after taking into account various other factors including working capital and funding requirements of our Group at the material points in time.

For illustrative purposes, the cash flow effect of the Proposed Capital Reduction and the corresponding First Tranche Dividend to a shareholder holding 100 EcoWorld International Shares are as follows:

	<u>As at 31 October 2022</u>	<u>After the Proposed Capital Reduction</u>	<u>After the First Tranche Dividend</u>
No. of Shares held	100 Shares	100 Shares	100 Shares
First Tranche Dividend per Share	-	-	⁽¹⁾ RM0.125
Total cash to be received from the First Tranche Dividend	-	-	RM12.50

Note:

(1) *Computed based on an assumed First Tranche Dividend of RM300 million divided by EcoWorld International's total number of Shares in issue of 2,400,001,780 Shares as at 31 October 2022.*

FOR THE AVOIDANCE OF DOUBT, THE PROPOSED CAPITAL REDUCTION IS BEING CONTEMPLATED SOLELY TO FACILITATE AND PROVIDE OUR COMPANY WITH THE FLEXIBILITY TO DECLARE AND PAY DIVIDENDS IN THE FUTURE, SUBJECT TO COMPLIANCE WITH ALL LEGAL AND REGULATORY REQUIREMENTS AT THE MATERIAL POINTS IN TIME. IT DOES NOT FOR ALL INTENTS AND PURPOSES CONSTITUTE A DECLARATION OF DIVIDEND BY OUR COMPANY UNDER PARAGRAPH 8.26 OF THE LISTING REQUIREMENTS.

The Proposed Capital Reduction (prior to the distribution of the First Tranche Dividend and/or subsequent tranches of dividend, if any) will not result in:

- (i) any adjustment to our share price;
- (ii) any change in the total number of EcoWorld International Shares in issue or the number of Shares held by our shareholders;
- (iii) any payment to our shareholders; and
- (iv) any cash outflow or change in NA of our Group, save for the estimated expenses to be incurred in relation to the Proposed Capital Reduction.

Subject to the approval of the Proposed Capital Reduction by our shareholders at the forthcoming EGM, the Proposed Capital Reduction will be effective when the Registrar of Companies has recorded the information lodged relating to the reduction of capital in the appropriate register in accordance with Section 119 of the Act.

3. RATIONALE AND JUSTIFICATION OF THE PROPOSED CAPITAL REDUCTION

Given the macroeconomic uncertainties which continue to subsist with cost pressures expected to continue to outstrip real estate price increases in the near to mid-term, our Group's current strategy for our business is to focus on cash preservation and generation. We expect that this strategy will continue throughout FYE 2023.

In that regard, our Group will continue to review the feasibility of our remaining property development projects and consider proceeding with launches only if cost pressures stabilise and the desired returns can be projected with greater certainty. Similarly, any potential acquisition of new land bank will also be evaluated carefully based on the required rates of return before funds are committed for any major investment and/or acquisition.

In the immediate term, we intend to pursue monetisation of our completed property units in hand. Our Board has set an Internal Sales Target of approximately RM1.4 billion for FYE 2023 comprising sales of approximately RM1.3 billion and RM155.0 million from our property development projects in the UK and Australia, respectively with a view to selling most of our completed property units by October 2023. A breakdown of our Internal Sales Target together with the actual sales generated over the 6-month FPE 30 April 2023 is as follows:

	FYE 2023 sales target		6-month FPE 30 April 2023	
	No. of units	GDV local currency (million)	Units sold	Sales value local currency (million)
UK				
London City Island	22	£19.7	18	£16.2

Millbrook Park	32	£24.2	2	£0.9
Moberly & Jubilee	1	£0.5	-	-
Oxbow	23	£9.9	17	£7.7
Kew Bridge	46	£28.3	12	£7.6
Total	287	£243.4	106	£94.5

West Village	15	AUD11.2	4	AUD2.9
Yarra One	37	AUD38.8	19	AUD15.1
Total	52	AUD50.0	23	AUD18.0
Total in RM	339	(¹)RM1,445.0	129	RM577.6

Note:

- (1) For illustrative purposes, based on assumed exchange rates of GBP1:RM5.3 and AUD1:RM3.1 used for purposes of our Internal Sales Target.

We achieved RM577.6 million worth of sales in the first six months of FYE 2023. Our project in Embassy Gardens, which generated £43.8 million (equivalent to RM243.2 million) in sales, was the biggest contributor to our sales over the said period, followed by Wardian London (£18.3 million (equivalent to RM101.6 million)), London City Island (£16.2 million (equivalent to RM90.0 million)) and Oxbow (£7.7 million (equivalent to RM42.8 million)).

Arising from the abovementioned sales, our Group's net cash position has further increased from RM172.5 million as at 31 October 2022 to RM446.3 million as at 31 January 2023. A breakdown of our cash, deposits and other investments and borrowings as at 31 October 2022 and 31 January 2023 is as follows:

	As at 31 October 2022	As at 31 January 2023
	RM 000	RM 000
Cash, deposits and other investments ⁽¹⁾⁽²⁾	655,343	910,015
Total borrowings ⁽³⁾	482,816	463,760
Net cash	172,527	446,255

Notes:

- (1) Excluding cash held in our joint venture companies.
(2) Other investments relate to deposits that must be maintained and restricted for use during the tenure of borrowings.
(3) Inclusive of an aggregate amount of RM450 million attributable to the Medium Term Notes.

Subject to our Group achieving the Internal Sales Target and being able to meet the relevant legal and regulatory requirements at the material points in time, the Targeted Distribution Amount, after setting aside funds for our Group's estimated working capital and funding requirements, is estimated to be up to RM900 million in 2023. For the avoidance of doubt, the Targeted Distribution Amount is solely an internal target of the management of our Company and is not a financial estimate, forecast or projection and has not been reviewed by an external auditor.

As at 31 October 2022, the outstanding amounts owing by our joint venture companies to our Company is about RM1.75 billion. As the cash proceeds of our joint venture companies from the future sales of the remaining completed property units will be utilised to repay these outstanding amounts owing to our Company, such repayment would not translate into retained earnings of our Company. Accordingly, given the existing accumulated losses position of the Company, we would not be able to distribute the excess cash available to shareholders by way of dividend distributions.

The Proposed Capital Reduction will enable the creation of a reasonable amount of retained earnings for our Company to facilitate and enhance our ability to declare and pay dividends in the future in anticipation of the progressive receipt of future cash proceeds from our joint venture companies following sales of the completed property units.

For information purposes, the Proposed Capital Reduction of RM1,500 million was arrived at after taking into account the following considerations:

- (i) the accumulated losses of our Company of RM125.8 million as at 31 October 2022;
- (ii) the Targeted Distribution Amount;
- (iii) to provide additional headroom for further declaration of dividends by our Company in the future in excess of the Targeted Distribution Amount arising from sales of our remaining property units in the UK subject to, amongst others, the working capital and funding requirements of our Group as well as compliance with all legal and regulatory requirements at the material points in time; and
- (iv) to avoid having to seek multiple shareholders' approvals for multiple share capital reduction exercises in the future, resulting in delays in distributing the excess cash available to shareholders, making it costly and inefficient.

Based on our Group's net cash position of RM446.3 million as at 31 January 2023, our Company would be able to declare the First Tranche Dividend following the completion of the Proposed Capital Reduction.

Notwithstanding the completion of our existing property development projects in the UK, our Group will continue to have presence in the UK via our joint venture, Eco World London Holdings Limited. Given our Group's net cash position and proven track record of completion and delivery of sizeable projects in the UK, we are well-positioned to take advantage of such opportunities in the UK when the market recovers.

ADDITIONAL INFORMATION**1. DIRECTORS' RESPONSIBILITY STATEMENT**

This Circular has been seen and approved by our Board and they collectively and individually accept full responsibility for the accuracy of the information given in this Circular and confirm that, after making all reasonable enquiries and to the best of their knowledge and belief, there are no false or misleading statements or other facts, the omission of which would make any statement in this Circular misleading.

2. CONSENT AND DECLARATION OF CONFLICT OF INTEREST

CIMB, being the Principal Adviser for the Proposed Capital Reduction, has given and has not subsequently withdrawn its written consent to the inclusion of its name and all references to it, in the form and context in which they appear in this Circular.

CIMB, its related and associated companies, as well as its holding company, CIMB Group Holdings Berhad and the subsidiaries and associated companies of its holding company ("**CIMB Group**"), form a diversified financial group and are engaged in a wide range of investment and commercial banking, brokerage, securities trading, asset and funds management and credit transaction services businesses. CIMB Group has engaged and may in the future, engage in transactions with and perform services for our Company and/or our affiliates, in addition to CIMB's role as the Principal Adviser for the Proposed Capital Reduction.

In addition, in the ordinary course of business, any member of the CIMB Group may at any time offer or provide its services to or engage in any transactions (on its own account or otherwise) with our Group or our shareholders or their affiliates or any other entity or person, hold long or short positions in securities issued by our Company or any of our affiliates, make investment recommendations and/or publish or express independent research views on such securities, and may trade or otherwise effect transactions for its own account or the account of its customers in debt or equity securities or senior loans of our Company and/or our affiliates. This is a result of the businesses of the CIMB Group generally acting independent of each other, and accordingly there may be situations where parts of the CIMB Group and/or its customers now have or in the future, may have interest in or take actions that may conflict with the interests of our Company and/or our affiliates.

CIMB is of the view that there is no conflict of interest in respect of its capacity as the Principal Adviser to EcoWorld International for the Proposed Capital Reduction due to the following:

- (i) CIMB is a licensed investment bank and its appointment as the Principal Adviser to EcoWorld International for the Proposed Capital Reduction is in the ordinary course of its business and CIMB does not receive or derive any financial interest or benefits save for the professional fees received in relation to its appointment as the Principal Adviser to EcoWorld International for the Proposed Capital Reduction;
- (ii) the Corporate Finance division of CIMB is required under its investment banking license to comply with strict policies and guidelines issued by the Securities Commission Malaysia, Bursa Securities and Bank Negara Malaysia governing its advisory operations. These guidelines require, amongst others, the establishment of Chinese Wall policies, clear segregation between dealing and advisory activities and the formation of an independent committee to review its business operations; and

- (iii) the conduct of the CIMB Group in its banking business is strictly regulated by the Financial Services Act 2013, the Capital Markets and Services Act 2007, Islamic Financial Services Act 2013, and the CIMB Group's internal controls which includes, amongst others, the segregation of reporting structures, in that its activities are monitored and reviewed by independent parties and committees.

Accordingly, CIMB has confirmed that there is no conflict of interest which exists or is likely to exist in its role as the Principal Adviser for the Proposed Capital Reduction.
